Active Employment Requirement

If you are not in Active Employment on the date that you become eligible for coverage, your coverage will be delayed until you return to Active Employment. This applies to both initial coverage and increases or additions to coverage. “Active Employment” means working at the Employer’s regular work site, performing the material and substantial duties of your regular occupation, and includes normal non-work days such as vacation, weekends and holidays.

Standard Provisions

- Maternity is covered same as any other condition.
- Temporary Recovery during the Elimination Period and Maximum Benefit Duration: Please refer to your Certificate for the periods allowed for temporary recovery.
- Waiver of premium: Premium payments for coverage are suspended while you are receiving LTD benefit payments under this Policy
- Continuity of coverage is included for employees covered under the Employer’s prior plan on the day prior to the Policy effective date.
- Other Income Amounts: Your gross LTD benefit will be reduced by any Other Income Amounts you receive or are eligible to receive, including, but not limited to, any disability or retirement benefits you or your spouse and dependent children receive from Social Security. Refer to your Certificate for a complete list of offsets.
- Cost of living freeze: Except for increases in income earned or received from any form of employment, once Other Income Amounts have been subtracted from the gross LTD benefit, your payment will not be further reduced due to a cost of living increase in that Other Income Amount.

- A Return to Work Incentive is included to encourage disabled individuals to return to work. This means that if you are working while Disabled during the 12 month incentive period, no offset will be taken for Other Income Amounts (which includes income from employment), until the sum of the gross LTD benefit and Other Income Amounts exceeds 100% of your Pre-disability Earnings.
- Vocational Rehabilitation: Provides assistance if you are disabled and receiving an LTD benefit from us. Services may include vocational testing and training, job modifications, job placement, or other services we find reasonably needed to assist you in returning to active employment. If we recommend a vocational rehabilitation program for you but you do not complete your responsibilities under the program, we may discontinue our payments to you, unless there is good cause for the non-participation.
- Social Security Assistance: If you are disabled, we will provide advice and assistance regarding your disability claim and assist you with your application for Social Security disability benefits or an appeal.

Exclusions and Limitations

- Coverage is subject to exclusions and limitations, including a Pre-existing Condition exclusion.
- Pre-existing Condition Exclusion: A Disability caused by, contributed to by, or resulting from a Pre-existing Condition will be covered only if the Disability begins after you've been insured for 12 consecutive months. A Pre-Existing Condition means a sickness or injury for which you received treatment within 3 months before your coverage effective date.
