POLICYHOLDER'S FREQUENTLY ASKED QUESTIONS

Q: What happens after the claim has been submitted?

A: The claim will be assigned to a Life Claims Specialist the day it is received. A letter acknowledging receipt of the claim is sent to the policyholder and beneficiary(ies). Within 48 hours, the claim will be reviewed. If additional information is needed to make a claim determination, it will be requested from the policyholder or the beneficiary.

Q: How long does it take for a claim to be paid?

A: Once all necessary information is obtained, payment usually takes less than five business days. Payment is sent directly to the beneficiary and written notice of the payment is sent to the policyholder.

Q: Who do I contact if I have a question about a filed claim?

A: Questions regarding claim submissions may be directed to our toll free number at 1-877-377-6773 or emailed to LADCLA@symetra.com. It is helpful if you refer to the claim number provided in the acknowledgement letter.

Q: How can I check the status of my claim?

A: Contact Symetra by phone at 1-877-377-6773 or visit www.Symetra.com/GO and log in to view your claim data if you are a registered user. If you are not a registered user, select New User Registration to begin the registration process.

Q: Can a claim be processed when the death certificate notes the Cause of Death as "Pending" or "To Be Determined"?

A: The specific cause of death must be included on the death certificate before the claim can be processed. When a death certificate does not include the specific cause of death, an amended death certificate is usually issued shortly thereafter. If there is an extended delay or difficulty in obtaining the amended death certificate, contact the Life Claims Specialist for assistance.

Q: Is the original enrollment form(s) required?

A: The original enrollment form(s) is required when the claim is for a member's death. Copies may be submitted when the claim is for a dependent's death.

Q: What do I do if an enrollment form or beneficiary form is not available?

A: Proceed with submitting the claim with the documents that you have in your possession. Provide a note with the claim explaining that you have no enrollment or beneficiary forms and why. The Life Claims Specialist will review the claim and determine the appropriate beneficiary(ies) in accordance with the policy.

Q: What happens if the beneficiary is a minor?

A: If the beneficiary is a minor child, the custodian or guardian of the child should complete the Beneficiary Statement on his or her behalf. State laws do not allow payment of a benefit directly to a minor beneficiary. Instead payment may be made to a person who is court appointed as guardian of the estate of the minor beneficiary or, depending on the state the minor beneficiary resides in and the amount of the payment, payment may be made to an adult custodian under the Uniform Transfer to Minors Act (UTMA). A third option is for Symetra to hold the proceeds in an interest bearing account until the minor beneficiary reaches legal age at which time the benefit will be paid directly to the beneficiary. The Life Claims Specialist will discuss these options with the custodian of the minor beneficiary.

Q: What happens if the beneficiary is an Estate or Trust?

A: If the beneficiary is an Estate or Trust, the executor/administrator or trustee should complete the Beneficiary Statement and provide a copy of the Estate papers or Trust agreement.

Q: Can a funeral home be paid directly?

A: Yes. If we receive a funeral home assignment signed by the beneficiary (and the beneficiary is not a minor), which identifies the Symetra policy, the funeral home can be paid directly. If there is more than one beneficiary and the intent is for the beneficiaries to share in the reimbursement of the funeral home assignment, each beneficiary must sign an assignment. The funeral home provides the assignment form.

Q: What is the effect of divorce on beneficiary designations?

A: The effect of a divorce on beneficiary designations depends on applicable state law, and on whether the group plan is subject to ERISA. In general, Symetra cannot enforce the terms of a divorce decree absent a court order directing Symetra to take specific action.

Q: Does the beneficiary designation in a will control over a beneficiary designation for the group life insurance policy?

A: No, the beneficiary designation in a will does not control over the beneficiary designation in the group life insurance policy. The beneficiary designation for the group life policy will determine the beneficiary(ies).

Q: Can a benefit payment be issued to a beneficiary residing in a foreign country?

A: Yes, we can issue payment to a foreign beneficiary. Benefits will be issued in U.S. dollars. If the beneficiary does not have a Tax Identification Number or Social Security Number, the payment may be subject to withholding tax.

Q: Are life insurance proceeds taxable?

A: Life insurance proceeds (non-living benefit) are not taxable; however, if there is interest payable on the benefit, the interest may be considered taxable income. If the interest payable on a life insurance claim totals over \$600.00 an IRS 1099-INT form will be mailed to the beneficiary in January following the date the payment was made. The recipient should consult with a tax advisor for more information on the taxation of these benefits.

Q: What if the claim or payment of a benefit is denied?

A: Symetra sends an explanation letter to the beneficiary along with instructions on how to file an appeal if the beneficiary disagrees with our decision. The policyholder will receive written notice that the claim or a benefit has been denied. If we receive additional information to support the original claim, a Life Claims Specialist will re-open the claim. If no additional information has been provided to support the original claim and a reversal of the denial, the file will be assigned to an Appeals Specialist for further review.
