

MSR-Flo

Monthly Status Report (MSR) Portal

Automated Program Status and Activity Reporting

The MSR Portal offers automated tracking and consolidated reporting for your entire defense portfolio. Eliminate cumbersome and inefficient email and document-based reporting methods. Provide your program managers with immediate visibility of all status tracking and accelerate the collection and delivery of your MSR reports to your customers. MSR-Flo centralizes the collection, review, approval, and submission of all MSR inputs and offers standardized and organization-defined report templates.

MSR-Flo Features:

- **MSR Creation:** Build your own unique report structures, or format or clone an existing report
- **Single Sign On (SSO) Enabled:** Leverage the SSO capability for a streamlined user experience and enhanced security
- **MSR Dashboard:** Leverage the dashboard to quickly visualize the status of all MSRs and monitor user engagement
- **Track MSR Responses:** Receive immediate feedback for every assigned MSR section to maintain complete awareness of report maturity
- **Review and Approval Workflow:** The built-in review and approval capability ensures the captured content is always ready for the final report prior to submission
- **Role Based Security:** Tailor the user experience based on your organization's defined roles and structure, ensuring users are limited to only the access that is required
